The last date for receiving tenders is 24th July 1939. For details please see the advertisement in the *Mysore Gazette*, Part IV, page 1294 dated 6th July 1939.

M. VENKATESH,
Loco and Carr Superintendent.

OFFICE OF THE DISTRICT TRAFFIC SUPERINTENDENT, MYSORE.

Notification No. T. M. 49—39, dated 7th July 1939.

The public are hereby informed that the right of selling flowers only, for 1939-40 at Devanhalli Station will be sold by public auction by the Traffic Inspector, Mysore State Railway, Mysore, at Devanhalli Railway Station on 13th Instant at 9-30 hours. The period of contract is upto 30th June 1940.

The successful tenderer will have to deposit the full amount of bid immediately the bid is accepted by the Traffic Inspector with an additional sum of annas ten towards the cost of Bond to be executed, failing which it will be reauctioned at his risk.

The sale is subject to the confirmation of the Traffic Manager, Mysore State Railway, Mysore, whose decision is final. He is not bound to accept the highest or any bid and may reject any bid without assigning any reason.

MIR ENAYETH HUSSAIN,
District Traffic Superintendent

GOVERNMENT WOOD PRESERVATION PLANT, BHADRAVATI.

Abstract Notification dated the 29th June 1939.

Notice is hereby given that sealed tenders will be received at the Office of the Officer-in-charge, Wood Preservation Plant, Bhadravati, up to 2 P.M., on Saturday the 22nd July 1939, for the several works to be carried out in the Wood Preservation Plant, as noted in the detailed notification published on pages 1294-1296, Part VI of the *Mysore Gazette*, dated 6th July 1939.

Notification dated the 8th July 1939.

It is hereby informed that sealed tenders will be received at the Office of the Officer-in-charge, Wood Preservation Plant, Bhadravati, up to 2 P.M. on Tuesday the 1st August 1939, for constructing an office, building in the Plant Yard. An approximate estimate of quantities is given below. The work should be completed by the end of November 1939.

The Plan, detailed estimate and conditions may be seen in the Office of the Wood Preservation Plant Bhadravati, on the working days from 7 A.M. to 11-30 A.M. and 1-30 to 5 P.M.

3. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied either by a treasury challan for having remitted a sum of Rs. 100 into any Government Treasury as earnest money under the head 'II. Forest—3 Wood Preservation Plant. Forest Deposit' or by a currency note of Rs. 100 and be superscribed as 'Tender for constructing an office building in the Wood Preservation Plant', in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Conservator of Forests, Shimoga, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond on the general stamp paper of the required value and deposit an amount equal to five per cent of the value of the estimate exclusive of the earnest money, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The successful competitor whose tender has been accepted will be intimated of the fact in due course. No enquiry regarding acceptance or rejection of tender will receive any reply.

8. On acceptance of one of the tenders the earnest money on the rejected tenders will be returned by means of a cheque on Tarikere Taluk Treasury.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per current schedule rates of the Forest Department or those fixed by the Conservator of Forests, Shimoga after working out data with not more than 10 per cent for Contractor's profit.

11. In all matters not specially provided for and in all matters of dispute about rates, quntities, measurements, quality of works, etc., and in all disputes of any other kind, the decision of the Conservator of Forests, Shimoga, will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work.

13. Only 'Chamundy' Brand Cement should be used on works.

14. The Ascu treated jungle wood will be supplied from the Plant for roofing materials.

15. No advance will be given during the stage of construction.
